Come and enjoy!

A Hidden Gem!

This facility is a relatively unknown Christian camp that has been in existence since 1908. Located only a couple miles from beautiful downtown Charlevoix, the facility provides easy access to this pristine region.

Recreational opportunities include several local public beaches on Lake Charlevoix and Lake Michigan and hiking opportunities at Fisherman's Island State Park or in the Jordan Valley.

Canoeing opportunities abound within an hour distance from the camp and include the Jordan, Manistee, and AuSable Rivers.

Other attractions within an hour's driving time include Mackinaw City, Mackinaw Island, Hartwick Pines State Park, and Wilderness State Park.

Look for Petoskey stones, the state stone of Michigan, around the area and on the beaches.

The campground facilities provide an inexpensive and easily assessable location for many uses.
